

Final Project Description

The Final Project is worth 20% of your grade, 100 points

Initial Outline: 5 pts **April 4th (Wednesday, due in class)**

Initial Outline of your intended guide, approximately ½ page. Should provide a solid foundation, include a list of potential sources, and provide a base for me to give meaningful feedback

Progress Report: 5 pts **Every Wednesday in class**

Between each class, you must make some progress on the report, and demonstrate this to the instructor in class to receive credit.

Draft: 10 pts **April 18th (Wednesday, Midnight)**

The draft should have most significant parts of the project complete but possibly not refined. Any incomplete parts should have a clear layout for completion. Draft should be ready for peer review and uploaded to bcourses.

Peer Review 1: 7.5 pts **April 20th (Friday, 11:59 pm)**

Review one of your peers' drafts on bcourses. Comment submitted should include at least 3 things the author did well, and 3 things the author could improve upon or change.

Peer Review 2: 7.5 pts **April 20th (Friday, 11:59 pm)**

See above.

Peer Review Response: 5 pts **April 25th (Wednesday, in class)**

Type a brief response to the peer reviews and submit it to bcourses. Response should address all the the proposed improvements and changes and either state A) that the change was made or B) why the change was not necessary in your eye.

Final Draft: 60 pts **April 25th (Wednesday, in class)**

Final Draft will be submitted **on paper and on bcourses** in class Wednesday. Final
